

Committee Members in Attendance: Angie Butz, Irene Dobberstein, Nicole Gillick, Monica Groth, Sarah Kelly, Tony Marrocco, Peggy Meyer, and John Nekola

Ex-Officio Members in Attendance: Brooks Goedeker and Kay Glass

Meeting was called to order at 7:06 PM by Angie Butz.

Overview: Angie Butz went over the agenda and a list of action items to discuss including the update with Ten 8, the Brightside event, and the Landscaping RFP. There were also discussions about the median across from the Lutheran Church, and what future maintenance on the neighborhood will look like in parallel to the landscape master plan.

SBD Signage and Branding Committee - The Signage and Branding Committee met to go over first steps on developing a design plan for the neighborhood. They then had a follow-up meeting for members who couldn't attend the first, and then relayed the plan and direction to the Beautification Committee. Additional meetings with Ten 8 are in motion to finesse the design direction so options can be presented to the neighborhood during a public open house.

SBD Landscaping Committee - The Landscaping Committee so far received two inquiries and agreed on a date to go over additional proposals. A Q&A will be added to the Holly Hills SBD website. The Beautification Committee agreed that the RFP deadline did not need to be extended.

Beautification Brightside Event - On June 3rd a group of committee members and additional volunteers worked together to clean up trash around the neighborhood.

Public Comment: In relation to the median across from the church, discussions were had on what would be most beneficial to be planted there until the landscape plan takes effect. The public in attendance leaned toward ideas of a clover lawn, and asked about the city-provided mulch.

The meeting was adjourned at 8:48pm.
